Group Chair

Welcome to our Programme for 2010-2011!

A new year and yet another dynamic programme of interesting meetings arranged in response to members' feedback on the topics they want and need to hear about. The exciting site visit in October should be one of our best yet and includes the opportunity to network with fellow professionals over lunch. As companies now see AOSH as a cost effective means of training their staff - don't keep AOSH a well-kept secret. Please pass this Programme onto anyone you think might benefit from either a specific topic or joining as a member. The more the merrier!

Linden Ruskin

CPD

IOSH Registered Safety Practitioners may claim a single CPD point for each meeting's attendance. Members must sign the Attendance Register that is passed around at every meeting to ensure that subsequent claims can then be authenticated by the Secretary.

Membership

We are a friendly group and visitors are very welcome to just turn up at one of our meetings free of charge. Anyone interested in their company or organisation becoming a member should either complete the Membership Form on this leaflet or contact Andrew Owst, Secretary or Marion Slyfield, Group Administrator. Fees are shown on the Membership Form but if you prefer to pay by BACS or invoice, this is not a problem - just contact Marion.
